Cast your value-adding magic over a worthy hills' catch...

If ever a modest hills' home could entice the aspiring investor or first-time buyer, it's this - a neatly spruced 3-bedder in a no-through court bound for exciting family times on a 710sqm blank canvas?

And trust us, the value-adding vision isn't hard to imagine.

It's already begun. Fresh paint, new carpets, solar panel efficiency, split system, and ducted cooling, plus grounds of front-to-back potential, eager for a lifestyle identity to be cast (STPC.)

The naturally lit 1993 build leads with an L-shaped living
