Sitting on a 900sqm allotment, currently is a 1958 built three bedroom one bathroom home that could be revamped and renovated if you were up for the challenge!

Think creatively and imagine new floors, a fresh coat of paint and a new kitchen and bathroom to transform this original dwelling that sits on the high side of the township.

The living area is of a good size and all three bedrooms are generous; whilst the kitchen reaches out for attention and would highly benefit from a makeover...as would the family bathroom.

Outside you'll find the large yard to one side of the property; double carport to the other.
