First impressions are everything.

And as if to peek over its private garden fence, the boldest move this 4-bedroom Sarah Home makes is its coal-black exteriors, leaving its minimalist interiors to spy those magical distant hills?

As simple as it is impeccable and quality-built for the young family, investor, or B&B hopeful, the 2017-built home's contrasting timber arrival steps greeting cork floors, crisp whites, and lofty living room ceilings, gives you every reason to believe it.

Easy flow sees the floorplan park your master wing - with ensuite and walk-in robe - separately, lining up each
