8 View Road Woodside SA

Bring your architect, builder, and a little 21st century magic to one of Woodside's prettiest no-through country turns where a gum-treed salute marks the start of this vacant block's promise...

Whether you split-level your design or build up (STCC) the hidden quarter-acre's depth and contours come wrapped in treetops and rural views, with a northerly aspect a pool or an entertaining zone can fully maximise.

Mains water, common effluent, and power connections are available, plus a secure shed with concrete flooring, dual roller doors, and high-clearance access - ideal for the boat or caravan.

The block is clean, cleared, and retained; ready to complement your new design.
