## 17 John Street Woodside SA

3 2 3

Follow Woodside's familiar cushion of countryside to an eruption of colour framing the bay windowed, 1992 home on 1278sqm of immaculate grounds with dual driveways making it a cinch to reach the 3-bedroom home's biggest hitter - a detached rear garage grabbing priceless side gate entry and sized to potter in - or fit out as a she-shed or man-cave!

For the mature couple or family, this 3-bedroom, 2-bathroom home walks the talk, and code for "come in" is its garden arrival flanked by silver birch, hedging, seaside daisies, and a riot of sweetly scented David Austin roses.

Not to mention the working section of the garden; beyond the pittosporum hedge reveals a rear harvest of veggies, citrus, passionfruit, nectarines, peaches, and Satsuma plums - all bound for the grazing platter to be enjoyed on
