

## 15 Tabor Lane Lobethal SA

3 1 5

Cloaked in secret gardens, it whispers yesteryear; a 1960s home with twin paddocks, big views, big rig shedding, room to move and a recreational "great room" all set on a 1.6ha hills hamlet even the pony will love.

For those after a bite-sized taste of farm life just 20 minutes from Hahndorf, then this canopied and secluded fork in the road is for you.

It's also home to some very contented birdlife. If you're not admiring the bulbs, tulips, irises, and clivias, you're spotting Eastern spine bills, flycatchers, and tawny frogmouths or picking fruit off the peach, cherry, apple, lemon, plum, and mulberry trees.

Gardens well on their way to becoming a self-sufficient paradise.
