4 2 2

There is living, and then there is lifestyle. Tick them both off - and more - in a slick 4-bedroom renovation that goes the extra rural mile with extensive all-seasons entertaining, electric double carport gates, and the most serene reserve outlooks.

And now's the time to witness its blaze of autumn glory from your landscaped 1002sqm stage.

Inside and out, the Millenium-built home - even better today thanks to the addition of the all-weather 84sqm deck and two redesigned bathrooms - gleans every possible nature-blessed perspective.

The floorplan flows effortlessly from the north-facing, bay window lounge room to casual dining, and the rear family room with glass sliders that float outdoors to the alfresco;
