## 16 Discombe Road Woodside SA

3  2  2 

Slipping into something more comfortable couldn't ring truer than in this exceptional re-model - a 1999 3-bedroom design that'll have you swapping front neighbours for rural views and a nightcap on the deck.

**Price** : Contact Agent

**Land Size** : 877 sqm

**View** : <https://www.adcock.com.au/7968348>

For the young family, or empty nester looking for the good life in Woodside, this serene rural edge is an impressive place to start.

In a trending Lexicon palette, open plan living unloads from the front porch where the eye is drawn to garden-grabbing views, a kitchen remodel that slides seamlessly into the background, and floating timber-grain floors that add the warmth to the entire light grey aesthetic.

Glazed and welcoming, the centred alfresco offers endless benefits: it spills dinner guests outdoors all year long;
