## 27 Gallasch Drive Mount Barker SA

4  2  1 

A Google view alone confirms how green it is. Set amongst the Mount's big blocks and canopied streets with a reserve on your fence line, nothing feels more homely than here on an 805sqm slice of up-styled country...

Giving a tick to warm neutrals, the form and function of this classic 4-bedroom floorplan will forever live on as it plays host to plenty of pivotal 'one-percenters' that make you forget this is a 1990s build.

Extras such as solar power, sleek roller blinds, vinyl plank floors, accent black handle-ware, industrial pendants, a feature barn door, and the modern crescendo at the heart of it all - an eye-catching, chic kitchen upgrade.

It's set to stir chef envy as it swills, circulates, and serves from soft-closing, shaker-style joinery against a subway
