Led by scented cottage gardens, it's hard to sum up the park-like serenity of this 2026sqm cul-de-sac parcel, without pointing out the impressive vehicle, workshop, and garaging it discreetly reveals?

Other double level homes talk up bedrooms and bathrooms; but the charm goes further with four carports, garaging, workshop and studio, plus solar, mezzanine storage and 3-phase power.

For those with trades, a car collection, vans and boats, or a home business, why spend your hard-earned cash on leasing commercial premises when you can call this your long-awaited welcome home.
