6/5 Mount Torrens Road Lobethal SA

4  2  2 

There's nothing quite like the "top of the world" vibes only Lobethal and the scenic Kenton Valley can provide. And here, this immaculate four-bedroom home on a retained and meticulously maintained 577sqm block makes the most of it - primed for memorable, year-round entertaining.

Built in 2019 and presenting as-new, the home opens to clean lines, timber-look floors, abundant natural light, and a layout that'll breeze through any white-glove test; the cosy combustion fire radiates warmth throughout the interconnecting living, meals and kitchen zones, with summers appeased by split system comfort.

The sleek kitchen features brand new stainless appliances - including a 4-burner gas cooktop, oven, and dishwasher -
