This is something special. From your own orchard, creek, and storybook bridge to a four-bedroom Hamptons style evolution, that long-held rural dream takes a sophisticated 1550sqm Mount Torrens turn...

For the family buyer swayed by style, semi-rural beauty and valuable undercover vehicle storage for up to 7 cars, it's all here - dual carports (one providing caravan clearance), an indispensable double garage/workshop, and utility shedding leave their mark.

As for the impeccable home, modern fretwork, diamond leadlight, and sash windows create a contemporary country living showpiece, with 5kW of solar efficiency.
