From its piercing gables and pristine landscape - very few homes could ever match what this lifestyle acreage promises: a semi-rural parcel of engulfing scenery, colossal car capacity, an indoor pool, and sunsets stretching to Mount Lofty.

'Kingsmont' offers the utmost security for the avid car collector, entertainer, builder, or the family that refuses to be hemmed in - with the kind of freedom that redefines what it means to 'have it all?'

Beyond the grand stone-walled arrival automatic gates and bitumen driveway, you'll be humbled by a homecoming of manicured grounds and a water feature oasis - and only epic describes the architecturally designed four-bedroom
