11 Henry Street Woodside SA

With rural views and a wander to Melba's, there's a wholesome future to look forward to from this four-bedroom, stone-fronted family design.

Owner-built some 30 years ago, this heritage-inspired home has evolved beautifully - now refreshed with soft, light-filtering sheers, freshly painted interiors, a quality kitchen remodel, and two fully tiled, modern bathrooms.

Yet never out of style in Woodside, is the natural rise and flow of an established, family-ready half acre that welcomes energy, adventure, entertaining, and pets - with drive-through vehicle access to a powered, and concreted, rear garage/workshop.
