Clever is an understatement. This captivating three-bedroom rewrite multiplies its young-family appeal tenfold on a deep 995m² allotment, wrapped in distant rural views.

From its reimagined 1977 façade to its light-loving, white-on-grey interiors, this remodelled cottage is proof that starting small can still be sensational. The result: durable floor tiles, exposed rafters, and full-length corner panes flooding the open plan living zone with natural light - perfectly showcasing the home's easy modern flow.

Its transformation from a forlorn shell to fashionable country chic on a generous family block is visionary.
