46 Elizabeth Street Woodside SA

4  1  2 

Woodside's country appeal is naturally inbuilt, yet ambitious visions are invited for this 1970s gem - an up to four-bedder forecasting better days ahead for its 1260sqm corner block.

Large windows flood this flexible family canvas with light against original timber floors, exposed beams, heritage-rich hues, and foundations that present the entry-level or young family buyer an exciting place to start.

While you settle on the dream, consider the dual street frontages, the carport, backyard vehicle entry, workshop with workbench, plus the powered and concreted double garage that never goes astray in the Hills.
