From the rose-lined pickets to the sweeping garden backdrop - olde world charm radiates from this bluestone railway cottage, renovated and extended into an uplifting four-bedroom footprint.

Lofty tongue-and-groove timber ceilings, polished timber floors, a feature mantel fireplace - the real surprise is this home's scale against a no-need-to-spell-it-out picture of formal living warmth upon entry, with more light and living space to come fuelled by the endless lengths of its 2184sqm landscape.

Boasting solar efficiency, new roofing, gorgeous grounds under gum-studded shade, plus rear vehicle access to a double garage - it's a half-acre of beautiful breathing space
