11 Sandalwood Drive Woodside SA

When a reproduction villa can strategically work the investor, downsizer, and first-time buyer crowd, it points to this savvy little hills stunner - three-bedroom style, skirted by pickets and double garaging on a high-streetside corner parcel.

While the kids play safely on the fully fenced front lawn, you'll bring the festive cheer to a feature-built backyard gazebo and full-length rear patio, and inside, newly repainted charm opens wide beneath lofty pitched ceilings.

Beautifully refreshed, you'll enter directly to open plan living, gliding across durable floating floors, savouring split system reverse cycle comfort, and the gift of gentle hillside views.
